Message from the Premier
of the Free State

Ace Magashule

As the Premier of the Free State from 2009 to 2014, I wish to thank each and every Free Stater and South African from the bottom of my heart, for your unwavering support and prayers. Without you, we as the Executive Council would not have served you to a point where we are today. You have stood by us in prayer as we weathered the storms of life.

We have crossed turbulent waters, and now we are facing Mount Seir, which we have to overcome. It is through your support that we can continue to prevail. I call upon you to walk with us, holding your lanterns high and together we will follow the light. As Moses said to the Lord: "If Your presence does not go with us, do not send us up from here".

Together, we have moved the Free State Forward! We are looking forward to working with you to do more!
